OUTRIGHT LIBERTARIANS

FROM LIBERTY SPRINGS EQUALITY

Outright Libertarians is an association of lesbian, gay, bisexual, transgender, and other self-identified "queer" (LGBTQ) Libertarian Party activists and supporters. We welcome anyone who believes in individual liberty and personal responsibility, and who wishes to actively promote Libertarianism to all who love differently.

Our Purpose:

We encourage and support libertarian and Libertarian Party activists by:

- Starting and encouraging local Chapters
- Developing resources for activists, and
- Providing a positive and inspiring environment in which to interact and share with each other.

We advocate libertarian ideals by:

- Engaging in efforts and activities that teach and exemplify libertarianism
- Promoting the Libertarian Party and its candidates, and

- Acting as a sexual liberty caucus within the Libertarian Party.

Our outreach is to the GLBTQ community and all persons who self-identify in that manner or love differently.

Our membership reach is to libertarian and LP activists and supporters who subscribe to our Mission & Purpose.

The primary result of our efforts will be more Libertarian Voters, Activists, and Supporters.
